TOP REASONS FOR **BAU** INTERNATIONAL UNIVERSITY BATUMI

Accredited by WFME:

The university is accredited by the World Federation for Medical Education (WFME), a global organization that ensures high-quality medical education. This accreditation ensures that our curriculum, teaching methods, and assessment techniques meet international standards and that our graduates are well-prepared for medical practice in any part of the world.

Listed in WHO with Canada Sponsorship:

We are also listed in the World Health Organization (WHO) Directory of Medical Schools, which means that our graduates are recognized worldwide as having received an education that meets the highest standards. In addition, we have the support of the Canadian government, which helps to provide resources and opportunities for our students.

ISO 9001:2015 Certified in medical education:

We are committed to providing the highest quality education, and we have been certified under the ISO 9001:2015 standard for our medical education programs. This certification recognizes our commitment to continuous improvement and to meeting the needs and expectations of our students.

TOP REASONS FOR **BAU** INTERNATIONAL UNIVERSITY BATUMI

Clinical experience from the first year:

We believe that hands-on experience is crucial to becoming a skilled physician, so we offer clinical experience from your very first year of study. Our students work with patients in hospitals, clinics, and other healthcare settings, which helps them develop the skills, knowledge, and confidence they need to excel in their future careers.

Free USMLE courses:

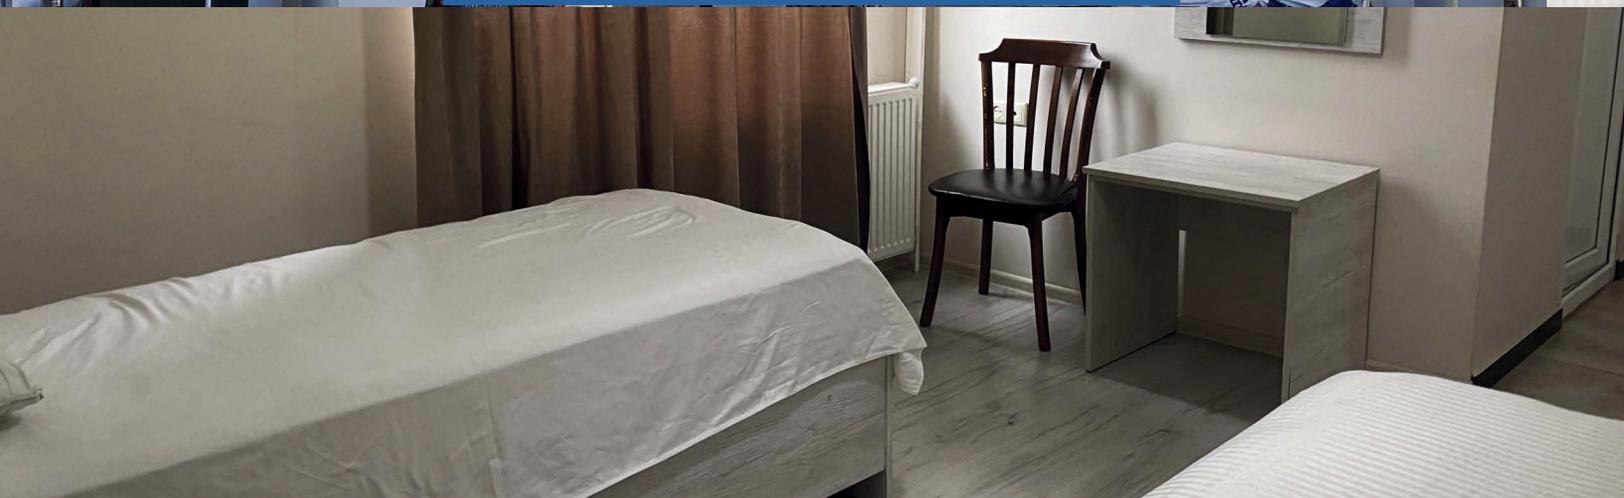

We understand that preparing for the United States Medical Licensing Examination (USMLE) can be challenging, so we provide free courses to help you succeed. Our courses cover all aspects of the USMLE, including clinical skills, medical knowledge, and exam-taking strategies, so you can be confident that you are well-prepared to pass this important exam.

In addition to these benefits, we offer a supportive community of faculty, staff, and fellow students who are committed to helping you achieve your goals. We provide personalized attention, mentoring, and career guidance to ensure that you are well-prepared for a successful career in medicine. Join our community of international medical students and experience the benefits of our exceptional medical education program!

KINJAL

During my stay of First year in BAU International University, I came across various people of different country and culture. I had received a lot of opportunities to groom myself, thanks to my ever inspiring mentors who helped me to discover the talented part of myself. University relentlessly trying to achieve the heights in rendering the world class education.

HARSHITH

The first thing I noticed here at BAU the classrooms here are facilitated with the latest technology, which helps to understand the Subject matter effectively and practically. It goes without saying that the campus is very beautiful and here you can also find all the facilities essential for a global student: multi-cuisine restaurant, gym and activity center, football and basketball courts, a well-equipped modern library, etc.

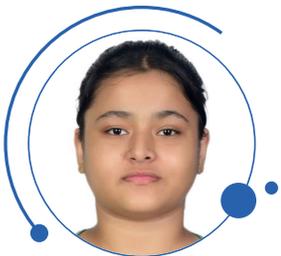

TANUSHREE

BAU International University is a place of learning, fun, culture, lore, literature and many such life preaching activities. Studying at the BAU brought an added value to my life. It gave me an opportunity to meet different kind of people and learn a number of things. I have received a great support from faculties.

SNEHSIS

BAU International University is a beautiful and historic place where people from different nationalities meet together to share one common goal, EDUCATION. I had the opportunity to meet with the dynamic and distinguished faculties, who are enthusiastic, friendly patient and highly qualified.

SANJANA KUMARI

My life at BAU International University made me stronger and took me a step ahead for being independent women. I am thankful to all the teachers who supported us and corrected us throughout our bachelors. I loved the infrastructure of BAU and its International life.

AJAY

Pursuit of an MBBS was my personal goal. I chose to do it from BAU International University because The Country is Very Safe The University Has World Class Infrastructure.

BATUMI CITY TOUR

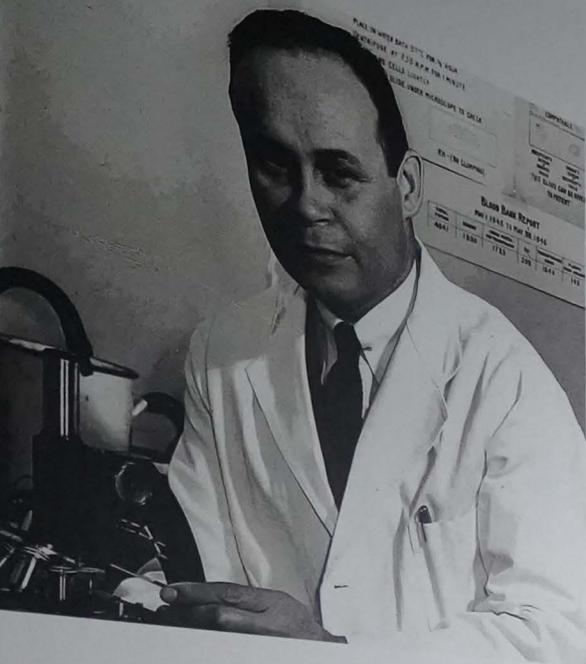

Batumi is Europe's Las Vegas on the Black Sea

A pulsating melting pot of students and tourists. Batumi is an international tourist place therefore English is spoken widely. The locals are friendly and outgoing. Parks, Cafes, historical places, and modern malls make it an interesting place to study.
